

REVISING TROTTER LAW.

DOINGS OF THE BIENNIAL CONGRESS OF THE NATIONAL ASSOCIATION.

About 800 Tracks Represented—President Johnson and Most of the Other Officers Present—Changes in the Rules.

Shortly after 2 o'clock yesterday afternoon the Biennial Congress of the National Trotting Association was called to order in a banquet room of the Murray Hill Hotel by the President, R. E. Johnson of Lexington. About fifty delegates were present, but many of them had proxies from members, some as many as forty-five, so that in fact nearly 300 individual associations were represented.

After the roll call and presentation of proxies a committee of five to nominate officers was appointed. C. H. Page of Philadelphia was Chairman, and R. E. Hough, Baltimore, Lucas Broadhead of Woodburn Farm, Ky., M. C. Blake, Cedar Rapids, Iowa, and T. O. King, Hartford, made up the committee. After a short deliberation they submitted a ticket which was unanimously accepted, and the officers for the next term are: President, R. E. Johnson; Vice-President, David Bonner; Second Vice-President, Frank A. Grooms; Napa, Cal.; Treasurer, W. H. Starnes of San Francisco; Secretary, J. H. Johnson of Lexington; and a committee of five to revise the rules.

George M. Stearns, Hartford, Mass., M. C. Blake, Cedar Rapids, Iowa, T. O. King, Hartford, Conn., C. H. Page, Philadelphia, Pa., and R. E. Hough, Baltimore, Md., were the members of the committee.

George W. Archer, Rochester, N. Y., was elected Secretary of the Atlantic District, and Frank Brown, Philadelphia, Pa., was elected Secretary of the Central District.

W. H. Starnes, Napa, Cal., was elected Secretary of the Pacific District, and J. H. Johnson, Lexington, Ky., was elected Secretary of the Eastern District.

CROSS-COUNTRY LEGISLATORS.

They Meet and Decide to Recognize A. A. U. as the Only Legitimate Authority.

Athletics are prolific of humorous situations, and perhaps none is better calculated to show the ridiculousness of the average man than the action taken last night by the National Cross-country Association. A resolution adopted by that body sets forth that it has decided to recognize the suspension of the A. A. U. That means that none of the athletes who were disqualified by competing in the games of the Seventh Regiment will be permitted to take part in the meetings of the Cross-country Association.

The humorous feature of this is that the clubs of the Cross-country Association composed of exactly the same prizes for which the members of the Seventh Regiment were disqualified. THE HAVANA CESS MATCH.

The Cuban Chess Society Wins Its First Game—The Cuban Chess Society Wins Its First Game.

HAVANA, Feb. 10.—The seventeenth game of the chess match, which was played yesterday, resulted in a victory for Tchigorin. The Russian may well be proud of his achievement, for no chess player ever succeeded in wresting seven games from Steinitz. Although the latter might still turn the tables upon his opponent and win the match, it can not influence the prestige which Tchigorin has gained.

Tchigorin played with another Evans gambit, pursuing the attack with wonted vigor and energy. Steinitz, by degrees, overcame the difficulties of the opening, and had obtained a good game, with fair prospects of winning, when he by some successive weak moves seriously compromised his position. Tchigorin saw his chance, and did not miss it. Black's game soon became decentered, and on the thirty-eighth move Steinitz had to surrender.

The score is now as follows: Tchigorin, 10; Steinitz, 7. The Cuban Chess Society wins its first game. The Cuban Chess Society wins its first game.

OPEN YOUR EYES.

When you ask for a bottle of Wolff's Acme Blacking see that you get the genuine.

The real article made by us cannot be bought for less than 20c a bottle. It is good material and worth its price. There are imitations offered claiming to be "just as good" for less money. Don't buy them. If the "just as good" has any merit it ought to sell without invoking the aid of comparison with our Acme Blacking.

WILL IT IMPROVE BOWLING?

The Present Method of Scoring Decried to Be Imperfect.

To the Editor of The Sun:—For over fifteen years I have practiced and won a large number of prizes in the game known as the American or ten-frame game, and after considering a large number of bowlers I have come to the conclusion that there is something radically wrong with the mode of scoring or scoring taken from the view.

The many exhibitions in the various tournaments in this city and vicinity do not demonstrate to me the best bowlers. That winners are not always the best bowlers is well known and is a fact of the fact that a bowler who is a good bowler, but who is not a good bowler, will win a prize, and a bowler who is a good bowler, but who is not a good bowler, will win a prize.

A four bowler with good luck can beat the best bowler in the world, and a bowler who is a good bowler, but who is not a good bowler, will win a prize, and a bowler who is a good bowler, but who is not a good bowler, will win a prize.
